

Prasanth weds Sruthi

9th March 2014

// Invitation details //

*This moment is perfect, to tell you a story,
Of two people most ordinary,
who will soon come together to start a new era of glory.*

*Please bear with us if our lines don't rhyme,
we're putting together something like this for the first time.
So, let's see...*

*Before we were first told of each other,
Our lives were sufficiently busy to not really bother;
of what was in store for us.*

*First week of October 2013 is what we rightly remember,
The time that brought along a change to be cherished forever.*

*When I was first told of Sruthi,
my heart felt that "She was the One";
October 13 only confirmed that my season for love had just begun.*

*It was a bliss, when I heard her say,
"I always knew you were the one, and had waited for you
many a night and day..."*

*Until now, these lines meant nothing but typical
"Bollywood" brew,
But suddenly their intervention seemed realistic too...*

*And then the story went on, as a new life of love and care
was bestowed upon
Us, where my ambition became to fulfil all her dreams,
& she discovered my love for musical themes.*

*Slowly, ice creams replaced laddus, & fondness grew for sarees,
All we hoped for was,
"May it pass sooner! this month of February"...*

*And now that Feb is almost past and March is rushing,
We invite all of you for your love and blessings.*

*Please do come, and grace the occasion,
of our union this beautiful season.*
